

## **Jean Berchmans NIYITEGEKA, ACCA, CPA (R): Profile**

Jean Berchmans NIYITEGEKA is a qualified professional accountant with the following qualifications:

- Member of the Association Chartered Certified Accountants, UK- ACCA;
- Holder of a letter of Equivalence stating that the Holder of an ACCA professional qualification has passed the examination level comparable to that required in the final examination of a UK Master's Degree;
- Member of the Institute of Certified Public Accountant of Rwanda - CPA(R)
- Bachelor's degree in Accounting Sciences (BAS) obtained with a distinction from University of Rwanda.

Jean Berchmans has 18 years' experience in finance and auditing.

Before embracing the audit carrier, Jean Berchmans has gained a thorough experience in all aspects of finance function including managerial roles especially in banking industry. His 8 years' experience in leading finance department in different banks has given him an extensive knowledge of risk management as well as laws and regulations of banks and other financial institutions. He also had an opportunity to work closely with external auditors and have an understanding of various audit approaches which cemented the basis of his subsequent pursuit of audit profession.

Jean Berchmans is currently a Senior Manager within GPO Partners Rwanda Ltd and, as an auditor, he actively participated in the supervision and execution of audits of financial statements, tax audits, due diligence assignments, forensic audit, and other assurance and agreed-upon-procedures assignments in different sectors.
